**NOTICE OF CONTINUED PERFECTION
OF OIL AND GAS LIEN PURSUANT TO
11 U.S.C. § 546(b)(2)**

San Bernardino County (Lien 2019-0025730)

Barnard Pipeline, Inc. ("Barnard"), by and through its undersigned counsel, hereby gives notice of continued perfection of its oil and gas lien under 11 U.S.C. § 546(b)(2), as follows:

1. Barnard has provided and delivered labor, services, equipment, and/or materials for the construction and improvements of projects located in the County of San Bernardino, State of California (the "Property"), the legal description for which is set forth in the Oil and Gas Lien, a true copy of which is attached hereto as **Exhibit A** (the "Oil and Gas Lien").

2. The Property is owned by PG&E Corporation and/or Pacific Gas and Electric Company (collectively, the "Debtors"), which filed voluntary petitions for relief under Chapter 11

1 of Title 11 of the United States Code (the "Bankruptcy Code") on January 29, 2019 (the "Petition
2 Date").

3 3. On January 25, 2019, before the Petition Date, Barnard properly and timely recorded
4 its Oil and Gas Lien under California Civil Procedure Code § 1203.50, *et seq.* in the Official
5 Records of San Bernardino County, State of California.

6 4. Through January 25, 2019, the amount owing to Barnard subject to its Oil and Gas
7 Lien is at least \$5,487,169.56, exclusive of accruing interest and other charges, and additional
8 amounts which have continued and are continuing, to accrue after the Petition Date.

9 5. Under California Civil Procedure Code § 1203.58:

10 Every person claiming a lien under this chapter, shall record in the
11 office of the county recorder for the county in which such leasehold,
12 or some part thereof, is situated, a verified statement setting forth
13 the amount claimed and items thereof, the dates on which labor was
14 performed or material or services furnished, the name of the owner
15 of the leasehold, if known, the name of the claimant and his mailing
16 address, a description of the leasehold, and if the claimant be a
17 claimant under Section 1203.54, the name of the person for whom
18 the labor was immediately performed or the material or services
19 were immediately furnished. The statement of lien must be recorded
20 within six months after the date on which the claimant's labor was
21 performed or his materials or services were furnished to be effective
22 as to such labor, materials, or services.

23 In turn, California Civil Procedure Code § 1203.61 provides, in relevant part, that:

24 Any lien provided for by this chapter shall be enforced in the same
25 manner as provided for [mechanics liens].

26 6. Pursuant to California Civil Code § 1203.61(a), an action to enforce a lien must be
27 commenced within 180 days after recordation of the claim of lien. However, section 362 of the
28 Bankruptcy Code automatically stays Barnard from filing a state court action to enforce its oil and
gas lien. *See* 11 U.S.C. § 362.

7. Section 546(b)(2) of the Bankruptcy Code provides that when applicable law

... requires seizure of such property or commencement of an action
to accomplish such perfection, or maintenance or continuation of

1 perfection of an interest in property; and ... such property has not
2 been seized or such an action has not been commenced before the
3 date of the filing of the petition; such interest in such property shall
4 be perfected, or perfection of such interest shall be maintained or
continued, by giving notice within the time fixed by such law for
such seizure or such commencement.

5 See 11 U.S.C. § 362; see also *Village Nurseries v. Gould (In re Baldwin Builders)*, 232 B.R. 406,
6 410-11 (9th Cir. 1999); *Village Nurseries v. Greenbaum*, 101 Cal.App.4th 26, 41 (Cal. Ct. App.
7 2002).

8 8. Accordingly, Barnard hereby provides notice of its rights as a lienholder in the
9 Property pursuant to California's oil and gas lien law. Barnard is filing and serving this notice to
10 perfect, preserve, maintain, and continue the perfection of its lien and its rights in the Property to
11 comply with the requirements of California state law, 11 U.S.C. §§ 362(a), 362(b)(3), and
12 546(b)(2), and any other applicable law. This notice constitutes the legal equivalent of having
13 recorded an oil and gas lien in the recorder's office for the county where the Property is located and
14 then having commenced an action to foreclose the lien in the proper court. By this notice, the
15 Debtors and other parties in interest are estopped from claiming that the lawsuit to enforce
16 Barnard's oil and gas lien was not timely commenced pursuant to applicable state law. Barnard
17 intends to enforce its lien rights to the fullest extent permitted by applicable law. The interests,
18 perfected, maintained, or continued by 11 U.S.C. § 546(b)(2) extend in and to the proceeds,
19 products, offspring, rents, or profits of the Property.

20 9. The filing of this notice shall not be construed as an admission that such filing is
21 required under the Bankruptcy Code, the California oil and gas lien law, or any other applicable
22 law. In addition, Barnard does not make any admission of fact or law, and Barnard asserts that its
23 lien is senior to and effective against entities that may have acquired rights or interests in the
24 Property previously.

25 10. The filing of this notice shall not be deemed to be a waiver of Barnard's right to
26 seek relief from the automatic stay to foreclose its oil and gas lien and/or a waiver of any other
27 rights or defenses.
28

1 11. Barnard reserves all rights, including the right to amend or supplement this notice.
